

Empowering
the **next level**
of green mobility
and energy

CharIN – Charging Interface Initiative e. V.

CharIN Membership

CharIN Membership Benefits

Technology

- Contribute and participate in technical groups (e.g. Focus Groups, Task Forces or special projects)
- Collaborate actively on creating position papers and industry statements
- Help define requirements for charging standards
- CharIN offers a neutral platform for cooperation between companies and competitors
- Join our CharIN Academy events at exclusive prices (e.g. CharIN Festivals for interoperability tests, training on e-mobility and charging topics, or virtual conferences)

Politics

- CharIN interacts with political stakeholders and decision-makers in different regions
- Get in contact with international experts on-site
- Take advantage of funding information
- CharIN delivers an essential input in joint political initiatives and educates political stakeholders on technology

Community

- Become part of a network with more than 330 international members from the entire e-mobility value chain
- Get connected with leading e-mobility and energy companies
- Be invited to exclusive CharIN events (e.g. our Focus Group F2F week or member events)
- Use your vote at the General Assembly to develop our association and empower the next level of green mobility and energy

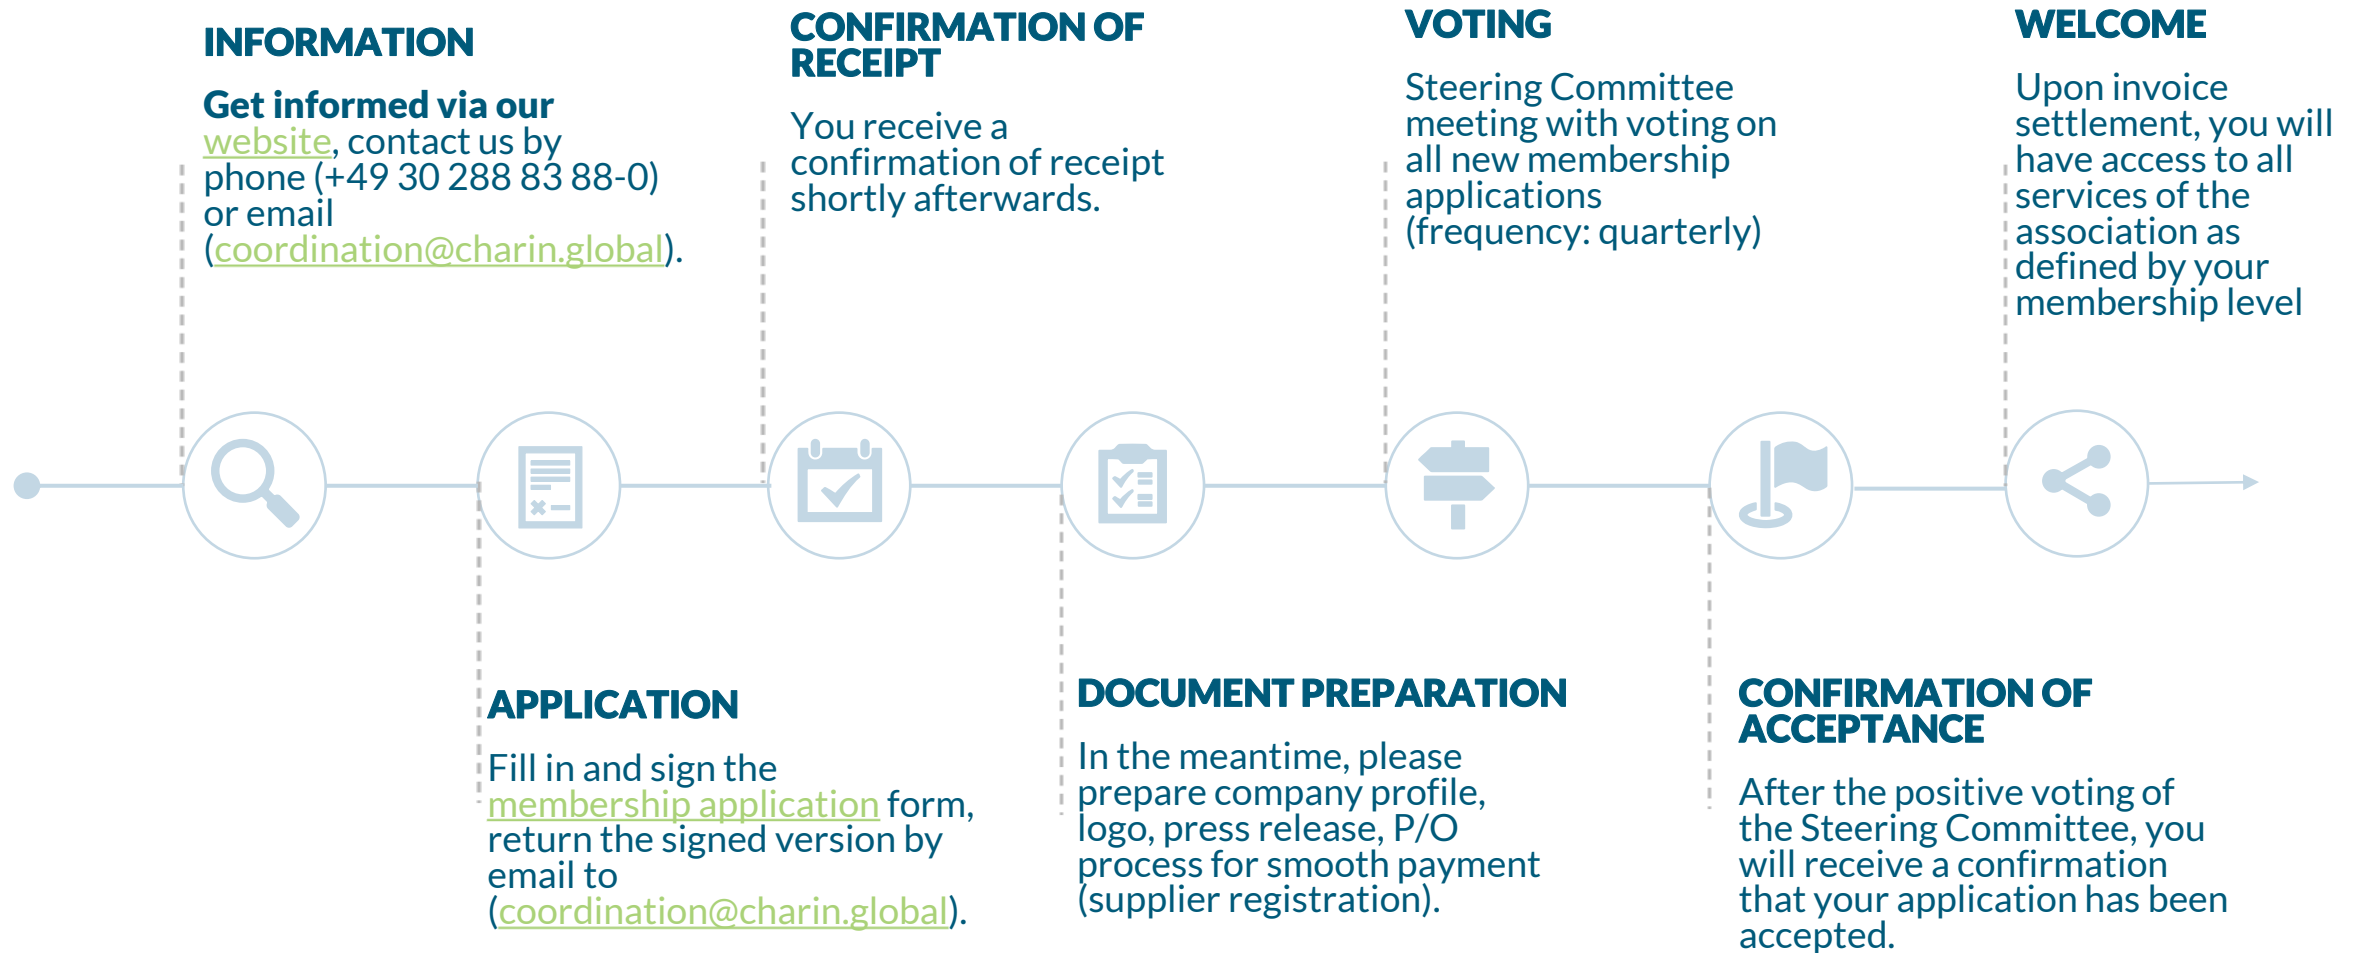

Visibility

- CharIN is present on several leading international events – on your behalf
- Be part of joint CharIN booths – CharIN offers coordinated event management for trade shows
- CharIN is offering speaking opportunities for members on events and conferences
- Publish press releases on CharIN's website and take advantage of its outreach
- Create your company profile on CharIN's website to present your company and products
