

Biography

Peter Badík GreenWay

Since 2011 he devotes his work to promote ecological transportation, with focus on electric vehicles. He is the co-founder of GreenWay where he acts as the managing partner responsible for strategy, planning and business development.

GreenWay is the leading provider of EV charging services in CEE region. It operates the largest network of fast chargers in Slovakia and Poland with the team of more than 100 professionals.

He is one of the founding members of Slovak Electric Vehicle Association (SEVA) where he acted as the Director, GreenWay was a founding member of Polish EV association (PSPA) and Peter is also a board member of ChargeUp Europe.

He is father of four and live in Bratislava.

Peter Badík
Co-Founder & Managing Partner GreenWay

A close-up photograph of an electric vehicle's charging port. A black charging cable is plugged into the port, which is illuminated with a blue light. The car's body is wet with water droplets, suggesting it has been raining. The background is blurred, showing a car wheel and a building.
