

Biography

Maciej Kautz

Maciej Kautz – Event Strategist and Emcee whose smile breaks the ice. He engages audiences at major international conferences, including TEDx and Global e-Mobility Forum. Maciej is all about creating an authentic and egalitarian ambience. He brings strategies of event enhancement and insights which he has learnt from hosting and co-creating virtual and in-person events.

Since 2013, Maciej has been producing and hosting a talk-show in English on National Polish Radio (Polskie Radio). Maciej studied at Appalachian State University (2011) and University of Antwerp (2010). He holds a Master of Laws degree from Adam Mickiewicz University. In 2018, he passed the qualifying exam and is now attorney-at-law in Poland.
