

Biography

Erika Myers CharIN North America

Erika Myers is the Executive Director of CharIN North America and is based out of the Washington, D.C. office. Erika has worked in the clean energy and electric vehicle industry for nearly 20 years in non-profit, for-profit, and governmental roles. She previously served as the Global eMobility Director for the World Resources Institute and the Principal of Transportation Electrification for the Smart Electric Power Alliance. Her area of subject matter expertise is vehicle-grid integration.

Erika Myers is a current member of the board of Forth and an EV advisor to the U.S. Department of Energy. Erika has long been a champion for gender equity in the e-mobility and energy sectors and is an active member of the Women of Electric Vehicles non-profit.

Erika's passion for electromobility goes far beyond her professional commitments. In her private life she runs a blog called EV Love and she and her family own two EVs powered by 100% renewable energy.
